**PUBLIC REVIEW  
ANNUAL ACCOUNTING OF DEVELOPER FEES  
FISCAL YEAR 2014-2015**

Government code Section 660066(b) requires that local agencies which collect developer fees provide an annual accounting of these fees at the close of each fiscal year. Government Code Section 66001(d) requires the District to make additional findings if there are any funds remaining in the Fund at the end of the prior fiscal year.

The annual accounting must include:

1. The amount of the fee;
2. The beginning and ending balances of the account;
3. The amount of the fees collected and the interest earned during the fiscal year;
4. An identification of each public improvement of, the amount of the fees expended, and an identification of the percentage of the cost of the improvement that is being funded with the fees;
5. For any improvements that are funded, but have not been completed, and identification of an approximate date of completion; and
6. A description of each inter-fund transfer or loan made from the account, including the public improvement on which the transferred or loaned fees will be expended.

The Board of Trustees must review the information at the next regularly scheduled meeting held no earlier than 15 days after the information became available to the public. This meeting will be **December 15, 2015 at 7:00 pm at the District Office of Ross Valley School District located at 110 Shaw Drive, San Anselmo, California**. The detailed information required by the Government Code Section 66066(b) has been available for public review at the District Office and each of the school sites since **November 30, 2015**.

During fiscal year 2014-2015, the Ross Valley School District levied developer fees at the following rates:

Residential: \$3.36 per square foot  
 Commercial \$0.54 per square foot

Total fees collected were \$76,198.80 and interest of \$231.52 was earned for total revenue of \$76,430.32.

Listed below are costs related to mitigation of the impact of new development which is generating growth in enrollment, as funded by the Capital Facilities Fund – Developer Fees:
